

Volume IV Of The

DARDANIAN

*Happiness
Is . . .*

Foreword

In addition to the endeavor toward scholastic achievement the class of 1969 has experienced numerous pleasures and many hours of merriment. The class as a whole worked together to raise money at sub sales, the selling of yearbooks, and many other projects and undertakings. Throughout all these activities we learned to know each other, to get along with people, to work together for a single purpose, and most of all, to have fun. In these activities we found happiness.

The learning process was supplemented with laughter and diversion; two indispensable requirements for an active, open-minded future. Our instructors intermingled jollity with research; a much needed interruption in the callosity of continuous studying.

As we call to mind the long years of training and preparation for life, we must also recall the joy we received and the pleasure of working with helpful, friendly people. It is with these thoughts in mind that the class of 1969 presents, "HAPPINESS IS . . ."

Look what came out of that test tube!

PEACE

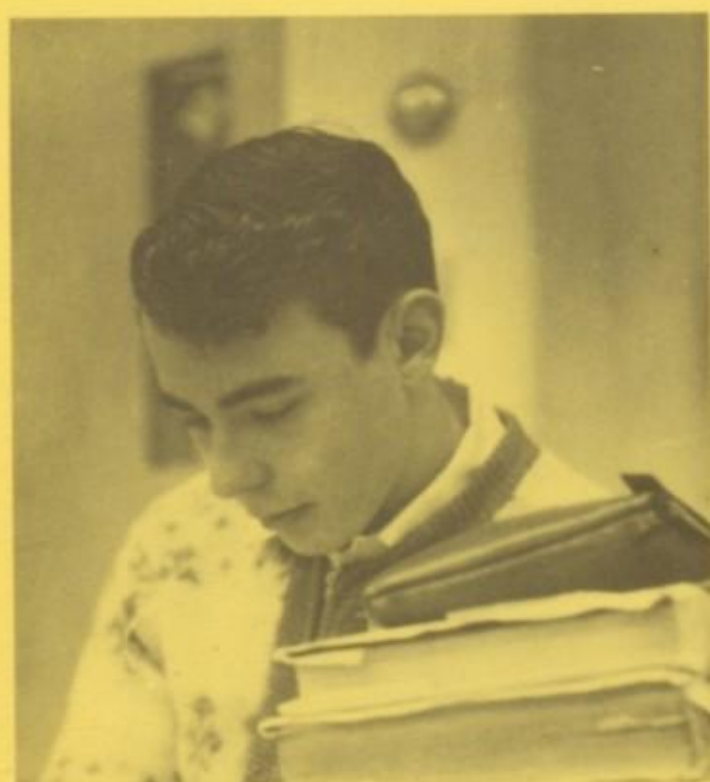

Tiptoe through the Tulips.

Peek-a-boo!

Is it good, Sharon?

An ardent student.

Now listen here.

BEING A
SENIOR

The closer he gets, the better he looks.

OF
'69

Oh Romeo, Romeo . . .

Prom

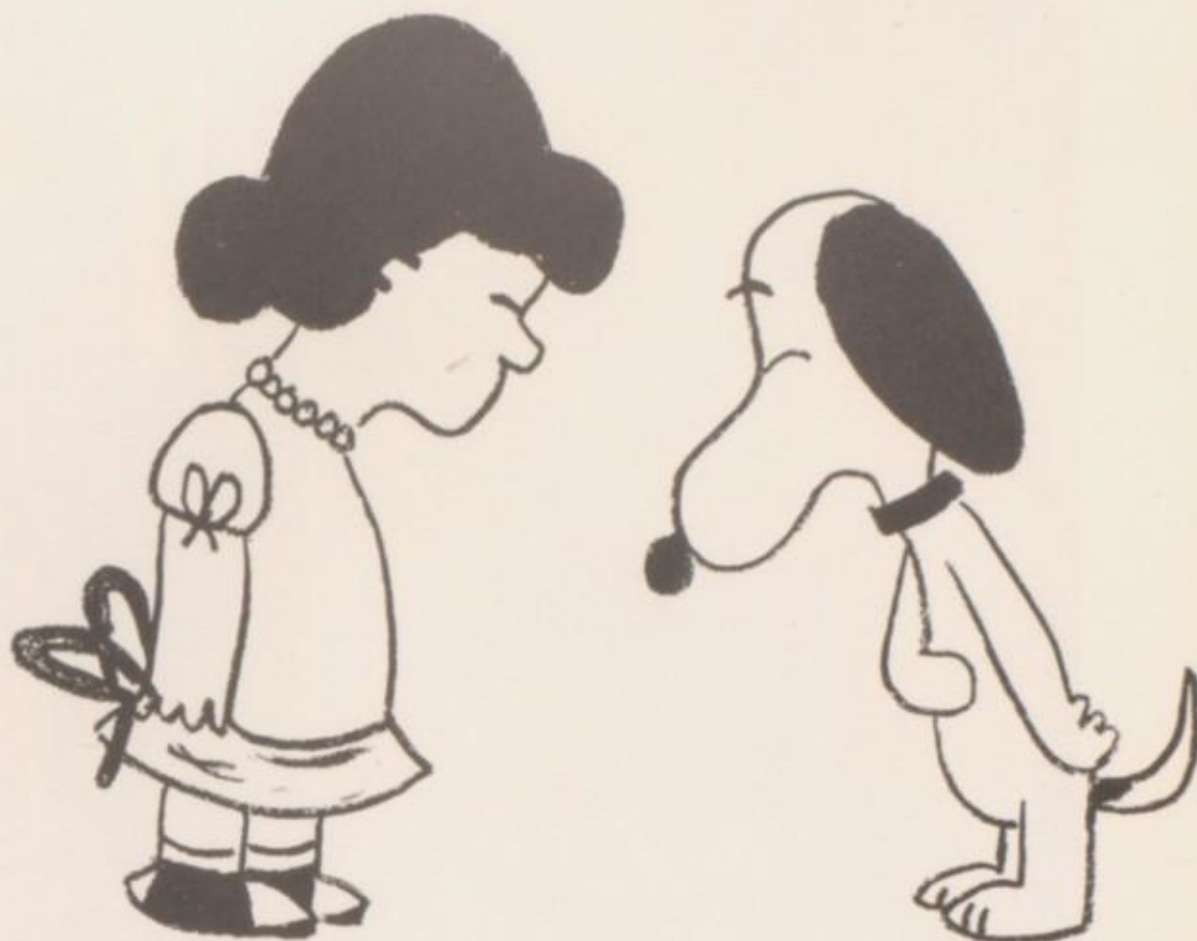

Trombones Incorporated provided the music.

The Queen is crowned.

Tahiti Avae, the theme for last year's Prom, provided the beautiful way to end the social season. Primitive spears, colorful masks, palm trees and a native hut enhanced the area. Couples danced to the music of Trombones Incorporated.

Crowning of the Prom queen, Jackie Clay, by our class President, Sharon Gernsheimer, climaxed the enchanted evening. Mary Gogets and Dianne Kehler, their escorts, Lee Groff and Terry Meredith respectively, and Kevin Zellers, the queen's official escort, composed the reigning queen's court.

The exotic refreshments.

Mary Gogets is escorted by Lee Groff.

Prom decoration committee: Beth Oberly, Jane Asfeld, Janice Krammes, Bruce Billman, Dorothy Fritz, co-chairman; Sharon Gernsheimer, Debra Kline, Doreen Noecker, co-chairman (missing).

Prom Preparation

Under the leadership of Dorothy Fritz and Doreen Noecker worked a capable staff of decorators.

Ideas started to form in mid-February. As March and April went by, these transformed into a Tiki, palm trees and many other decorations. Their efforts were finally culminated on May 11, two and a half months later.

Sharon, Debbie, and Beth making the centerpieces.

Mr. Crim and Lee endeavoring to make the ceiling stay up.

Carrying a palm tree!?

Building the queen's hut.

Life commences?

Commencement

Dreams of days gone by and visions of days to come. We see our lives passing before us and foggy projections of now half forgotten faces.

The climax for which a senior has striven has reached us with all its splendor and yet sorrowful meaning. We have reached the end of this pathway in our life, but in so doing, have found a whole new world opening up before us. And so we look out into our world and realize the true meaning of commencement — the beginning of our lives.

Preparing for the big moment.

The sorrow of parting.

In Memoriam

Those who have passed from this world die
only when we whom they loved forget them.

In remembrance of a fellow classmate of "69"
whose friendly smile and cheerful personality
warmed the hearts of many students.

Standing: Mr. Scarpignato (Advisor), Marcia Turk (Executive Council), Beth Oberly (Executive Council), Janice Krammes (Executive Council and Student Council), Debra Kline (Student Council), Rosemary DeLong (Student Council), Dorothy Fritz (Executive Council), Barbara May (Executive

Council), Mr. Hoffman, and Mr. Rentschler (Advisors). *Seated:* Kevin Zellers (Executive Council), Mary Hiester (Treasurer), Sharon Gernsheimer (President), and Sheila Miller (Secretary and Student Council).

Tulpehocken High School is situated in an area of successful farmers. Through an organization such as the F.F.A. they hope and expect many more educated and responsible agri-businessmen. The F.F.A. of T.H.S. is building these responsible young men through practice in the shop and through conferences held in daily classes.

Boys in grades nine through twelve are eligible to join. Membership holds up to three years after graduation.

Many students at T.H.S. reside on farms or in rural areas. Because of the agricultural environment the Future Farmers of America is a popular organization.

Whenever a student enters the library he can see hard working members of the Library Club behind the circulation desk or busily at work elsewhere in the library. These assistant librarians perform as aids to Mrs. Riegel, their advisor, and thereby gain experience toward a possible future in library work.

Students in grades nine through twelve may join the Library Club, and according to the membership, it is a very popular organization.

Concert

Band

The band is an organization which commands a great deal of respect. These instrumentalists probably bring more public recognition to the school than any other single group through parades and concerts.

The marching band participated in three parades this year. The single fall parade was the Albright College Pretzel bowl. This year the exhibition consisted of only the half-time ceremony in which all the participants assembled to play three marches. On Memorial Day the band marched in parades in Bernville and Bethel.

The concert band displayed its skill at the spring Night of Music. The most outstanding selections presented were "Selections from Doctor Doolittle" and "Themes from Offenbach." For the second year the majorettes, flag twirlers and color guard were features, this year in three Hawaiian numbers.

Junior Miss

Marcia Turk, Tulpehocken's Junior Miss.

Every year three senior girls are chosen to contend for the title of THS Junior Miss which is sponsored by the local Jaycees. After preliminary competition one girl goes on to represent our school in the County Pageant.

The Junior Miss contenders from THS were Sharon Gernsheimer, Sheila Miller, and Marcia Turk. Marcia was chosen to compete with girls from twenty other high schools in Berks County. Each contestant was judged in the specific fields of scholarship, the creative and performing arts and youth fitness. Personal interviews, poise and personality also helped the judges in their final choice.

Contenders from Berks schools compete in evening gown competition.

Marcia Turk exhibits her talent.

Junior Class Play

The Reverend William Spence Family.

A new activity undertaken by the Junior Class was the presentation of "One Foot in Heaven," a three act comedy by Hartzell Spence.

The plot unfolds with the Spence family moving into the old run-down parsonage of a small, unfamiliar, rural community and all the calamities which befall them.

The people of the community attempt to charge Reverend Spence with heresy because of his modern ideas. After many humorous predicaments Hartzell successfully defends his Father's beliefs at the heresy trial. This leads his congregation to realize that his philosophies are right. The final scene takes place after the building of a new parsonage with a feeling of fellowship among the citizens of the town.

Providing a firm mathematical background for the student is the purpose of the Mathematics Department. The freshmen and sophomores build a strong foundation, which is needed for all higher courses, by studying algebra. The juniors study geometry while the seniors are given trigonometry; advanced math is also offered as an elective.

Studying mathematics for four years not only teaches the student the basic formulas and theorems, but also how to apply these ideas.

Economics

Developing an understanding of the responsibilities of and preparation for parenthood is one of the main objectives in the Home Economics course. The course also explores the area of cooking. A student begins by learning to select foods to meet dietary problems. Later, the student gains an understanding of meal planning, marketing, food preparation, and nutrition. Emphasis in the course is also made in the development of a student's creativeness, skillfulness, and imagination in restyling, purchasing, and making garments.

Driver Education

Our Driver Education course enables students to use motor vehicles with greater safety, efficiency and pleasure. The course promotes, through one year of textbook and six hours of actual driving, a high standard in motor vehicle driving as well as reducing accidents. Most important of all, it instills in young drivers a sense of responsibility in the use of a motor vehicle.
